

RETURN TO VOLUNTEERING

August 19, 2021

Breakout Groups - Jamboard

Hi from Spokane!

Yay!

Hello everyone!

Hello!

Une tartine!! did you go to France for that?

I had the best strawberry, raspberry, rhubarb tartine today!

Howdy!

SUPER jealous of that strawberry and rhubarb...

Essencia Bakery in Yakima, WA has yummy baked goods. Thus the tartine :)

Hello,

Collaborate Here!

What's the Plan?

Conversation
Starters:

[Question - Green]
For in-person
volunteers, what
safety measures is
your nonprofit
using?

[Question - Yellow] Is
your nonprofit
requiring masks,
vaccination, and/or
testing for volunteers?
If yes, which are you
requiring? What are
your policies,
communications, etc.?

Timing:

**20
minutes**

Come back together :
Share Out

**Identify a group
member to briefly
share out the
highlights of your
conversation**

Group

#1

Who will share out for your group?

[Question - Green]
For in-person volunteers, what safety measures is your nonprofit using?

made available by the organization, all nurses wearing N95, self-screening prior to entering office, plexiglass barrier in place since March 2020, members of the public asked to stay outside, many volunteers come because they want

Wildlife: Most activities outside, follow guidance at state level on outdoor gathering protocols, assess depending on each different activities, will be requiring masks indoors and in many outdoor activities

service, non-medical, masking in public spaces, self-attestation of vaccination required for all employees, large-scale event w/ 50-75 volunteers upcoming in September, first event of this scale since

[Question - Yellow] Is your nonprofit requiring masks, vaccination, and/or testing for volunteers? If yes, which are you requiring? What are your policies, communications, etc.?

Group #2

**Who will
share out
for your
group?**

[Question - Green]
For in-person
volunteers, what
safety measures is
your nonprofit
using?

**CDCAC - all required
guidelines, staff
needs proof of
vaccination, will be
returning to staff
masking Monday.
Clients screened at
front door.**

**Mount Baker
Theatre is requiring
everyone masked,
proof of vaccination
or test before
entering theatre
event.**

**Women & Children's
Free Restaurant-Yes.
No outside guests in
the building,
distancing, travel
quarantine time,
masks. Have loosened
this now since all staff
and volunteers are
required to be
vaccinated.**

**MBT - Yes
and yes.**

[Question - Yellow] Is
your nonprofit
requiring masks,
vaccination, and/or
testing for volunteers?
If yes, which are you
requiring? What are
your policies,
communications, etc.?

**CDCAC - Yes,
everyone entering
the building must
be masked. Staff
fills out vaccine
confirmation which
is on file with HR.**

Group

#3

Who will share out for your group?

No volunteers right now.

[Question - Green]
For in-person volunteers, what safety measures is your nonprofit using?

Many are still implementing social distancing, extra cleaning, masks, etc.

[Question - Yellow] Is your nonprofit requiring masks, vaccination, and/or testing for volunteers? If yes, which are you requiring? What are your policies, communications, etc.?

Online programs only at this time, but will require volunteers to be vaccinated when volunteers return onsite. Staff and others entering the facility must wear masks onsite. Takes temperatures (staff, clients, etc) when coming onsite.

Most require masks (some only for non-vaccinated folks).

Some nonprofits are requiring vaccination proof (either storing vaccination card image, requiring a self-attestation, or having a staff member view the vaccination proof & noting the confirmation for each volunteer).

Written procedures for folks experiencing symptoms, for folks with confirmed close contact with a positive COVID-19 individual, etc.
